

RESCHEDULED

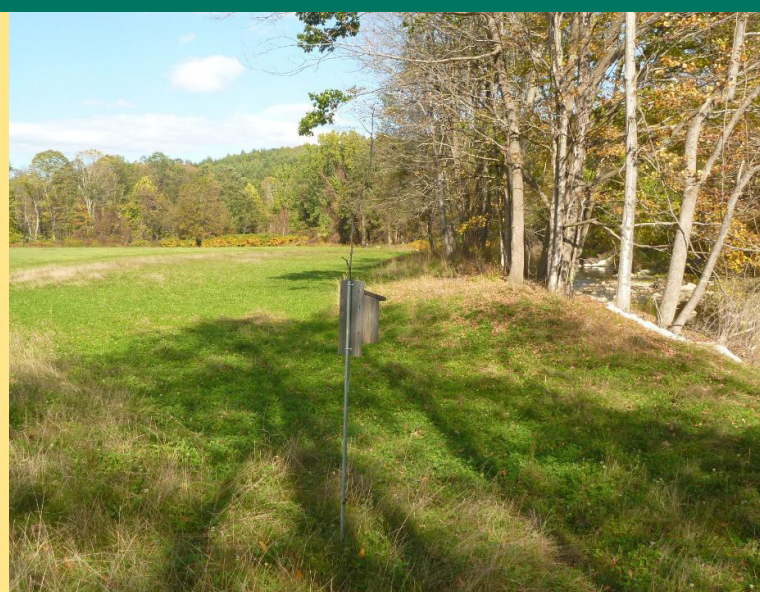

COME PLANT TREES!

A riparian restoration tree planting event
will be held at:

South River Meadow
Shelburne Falls Road, Conway, MA

Thursday, May 26th, 1–4pm

RSVP requested. Please email
Sophie Argetsinger at:
[sargetsinger@
newenglandforestry.org](mailto:sargetsinger@newenglandforestry.org)

**Bring a shovel and
a bucket if you can!**

South River Meadow is located near Main Street across from 59 Shelburne Falls Road in Conway. Over seventy native trees and shrubs will be planted to restore this riparian area maintained by the Conway Open Space Committee. This project is made possible by a USDA Forest Service grant administered by the Mohawk Trail Woodlands Partnership and the New England Forestry Foundation. Contact Sophie Argetsinger at sargetsinger@newenglandforestry.org with questions.
